

Training Funds for 2025-2026

The ITAG Industry Partnership can help your organization maintain a competitive workforce with a grant to offset the costs of training. Eligible employers/trainees can receive a reimbursement of up to 50% of course costs for each trainee. Funding is provided through grants by the Pennsylvania Department of Labor and Industry, the PA Department of Community and Economic Development, and the Chester County Workforce Development Board.

Eligibility and Conditions

- Trainees must be employed residents of Pennsylvania.
- Training must occur between January 1, 2025 and June 30, 2026.
- **The following topics are currently eligible for reimbursement:**
 - Business System Analysis
 - Project Management Professional
 - Programming Languages and Developer Platforms
 - Cloud Computing Architecture
 - Software Development Methodologies
 - Network Administration and Security
 - Dev Ops

If you or your employees have trained, or plan to train, in any of the topics listed above, please contact us to explore grant opportunities. **If your organization has training needs and the training topics are not listed, please contact us for eligibility consideration.**

Contact Marianne Stack, ITAG Project Director at mstack@ccedcpa.com with questions, request for more information, or to receive notifications of training grant opportunities in the region.
